## DETAILED ACTION

### *Response to Arguments*

1. Applicant's arguments, see Amendment After Non-Final Rejection, filed 12/16/2005, with respect to claims 1-20 have been fully considered and are persuasive in light of the amendments to the claims. The rejection of claims 1-20 has been withdrawn.

### *Allowable Subject Matter*

2. Claims 1 and 3-33 are allowed.
3. The following is an examiner's statement of reasons for allowance:
  - a. Claims 1, 16 and 21 contain at least the following allowable subject matter:
    - i. Wherein the disk controller executes control to move data from the first logical device to the second logical device in response to the setting/changing of an access attribute of the first logical device according to an access control command.
  - b. Claims 7, 18 and 19 contain at least the following allowable subject matter:
    - ii. The data movement control part:
      - (1) Moves the data stored in the first storage device to the lower-side second storage device when the access operation

relative to the data is limited by the first access control command,  
and

(2) When the access operation relative to the data stored in the first storage device is limited by the second access control command, moves the data to the upper-side second storage device, and after a present predetermined time has elapsed, moves the data back to the lower-side second storage device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
